

Mitsui Outlet Park KLIA Sepang

Mitsui Outlet Park KLIA Sepang (MOP KLIA) is Malaysia's largest fully-covered outlet mall, strategically located just 5 minutes from Kuala Lumpur International Airport (KLIA1 & KLIA2), and approximately 45 minutes from Kuala Lumpur city centre. MOP KLIA is a popular destination for both local shoppers and international visitors, attracting tourists from across Asia, the Middle East, and beyond due to its convenient location near KLIA1 and KLIA2.

Boasting a total floor area of approximately 65,549 m² (705,514 sq ft), the mall houses over 200 stores, offering an extensive selection of renowned international brands and local favourites. Shoppers can explore popular labels such as Coach, Michael Kors, Polo Ralph Lauren, Adidas, Nike, Puma, Asics, Levi's, Samsonite, Victoria's Secret, Bath & Body Works, and many more. The extensive retail mix spans categories including fashion, sportswear, footwear, beauty, home & living, lifestyle, travel essentials, and local specialty products — all with year-round discounts of up to 70%.

Designed with comfort and convenience in mind, MOP KLIA offers a fully-covered, air-conditioned shopping environment with spacious walkways and inviting public spaces, allowing visitors to enjoy a leisurely shopping experience regardless of the weather. In addition to its wide retail offering, the mall features a diverse selection of food and beverage options — from well-known international chains to local Malaysian favourites — making it an ideal stop for travellers, group visitors, and transit passengers seeking both great shopping and a satisfying dining experience.

To further enrich the shopping experience, MOP KLIA hosts seasonal promotions and pop-up sales throughout the year, bringing added excitement and variety to the retail offering. Shoppers can look forward to exclusive pop-up stores featuring international and local brands, as well as limited-time promotions aligned with major festive seasons such as Chinese New Year, Hari Raya, Merdeka, Deepavali and Christmas. These activations provide fresh retail experiences and give visitors more reasons to return regularly.

International tourists can also take advantage of the mall's popular Tourist Privilege Program, which offers additional discounts and special promotions exclusively for foreign visitors. By registering at the Customer Services Counter, tourists receive access to an exclusive selection of extra discounts or gift across participating stores, further enhancing the mall's shopping value.

As a gateway shopping destination for travellers, MOP KLIA is designed to meet the needs of both leisure and transit passengers. The mall offers a range of traveller-friendly services, including a free shuttle service between Terminal KLIA1 and Terminal KLIA2, free luggage storage facilities, convenient flight check-in kiosks at the Flight Check-in Centre, and real-time Flight Information Display System (FIDS) screens throughout the mall. These services make MOP KLIA an ideal place for visitors to shop, dine, and relax in comfort while staying connected to their flight schedules, ensuring a seamless experience for transit passengers.
